Introduction

Welcome to the thirteenth edition of the City of Derry International Choir Festival.

We are very excited to offer you the opportunity to participate in a five-day celebration of song. Our 2025 dates are Wednesday 22 – Sunday 26 October, with the usual programme of activities spread over those days, as outlined on page 6 of the syllabus.

Regular participants in the festival will recognise all the usual competition categories for national choirs and the extensive opportunities for non-competitive participation for both national and international groups. Please note carefully the requirements for the Oak Tree of Derry International Competition, as there are some changes from previous years with regard to repertoire selection. The details for competing international choirs can be found on page 12. All choirs should read the information contained on page 22 carefully before completing the relevant forms on the following pages.

This festival has now grown to be recognised as one of the most prestigious celebrations of singing anywhere in Ireland or the U.K. Participants are guaranteed a warm welcome, an enjoyable experience and memorable performances in beautiful locations throughout the city and surrounding area.

None of this would be possible without the generous support of funders and sponsors, the enthusiasm of the people of Derry, and the participation of wonderful singers and choirs.

We are looking forward to welcoming you to experience the magic of the festival for yourselves.

Please complete and submit your applications as soon as possible and keep an eye on the festival website at www.derrychoirfest.com for regular updates.
